**Closing date: Monday 4 July 2022, 11am**

Matrix's Competition and EU Law team are looking to recruit outstanding practitioners with significant experience of advice, litigation and/or administrative proceedings in the area of competition law and/or economic regulation. We will also take into account relevant post-graduate qualifications.

This is an exciting opportunity to join a busy and highly successful team. We are looking for candidates who are passionate about their work and are able to demonstrate that they meet the following criteria:

- outstanding advocacy skills;
- excellent client care skills;
- commitment to business development and proven aptitude for building relationships, networking and maintaining a client base;
- ability to manage time effectively to meet deadlines and to balance work/personal life;
- commitment to social responsibility at the Bar; and
- passion for the law and public service.

Matrix's Core Values are at the heart of everything that we do, and successful candidates will need to demonstrate support of these in their work and professional relationships. Please see our [Core Values here](#).

### **Interested? What Now?**

Applicants are asked to send their CV to Lindsay Clarke at [recruitment@matrixlaw.co.uk](mailto:recruitment@matrixlaw.co.uk) along with a covering form outlining their aspirations for future practice, their reasons for applying to Matrix and a demonstration of how they meet the above criteria. All applications will be treated in the strictest confidence.

Potential applicants who wish to discuss their application may contact, in confidence, Rhodri Thompson QC or Chief Executive, Rachel Holmes.

### **Equal Opportunities Statement**

Matrix is committed to diversity amongst its staff and members, including supporting flexible working. We therefore encourage and welcome applications from women, Black, Asian and minority ethnic individuals, disabled people, neurodiverse candidates and those who are LGBT+, as well as candidates from other groups which are underrepresented in the legal sector. We will make reasonable adjustments to enable disabled or neurodiverse candidates (including where a mental health issue is classified as a disability) to demonstrate their suitability for the position.

### **Tie-Break Provision**

Matrix has identified that the number of barristers who are Black and/or women is disproportionately low in Matrix/at the Bar and in the event that two candidates for this position are **equally qualified**, a tie-break provision (whereby preference may be given to candidates on the basis of the protected characteristics of sex and/or colour) **may** be applied if appropriate.
